A list of vacancies in the Medical Department, together with the nature of the vacancies, and the proposals of the Senior Surgeon to fill them up, is - attached.

(2) The proposals do not provide a vacancy for -- Mr.T.D.V.Krishnan,F.R.C.S., whose appointment has been already decided upon. Out of the 6 vacancies, three have to be treated as special and 2 as general according to C.R.B. rules. The Senior Surgeon proposes to treat the 6th vacancy as " reserved " for " direct " recruitment to the Gazetted rank as Mr.Ramakrishna Rao who was hitherto acting in Mr.Ramalinga Reddy's vacancy is without an appointment due to Mr.Reddy's return from leave. This may be approved.

(3) There are only 5 applicants for the three special vacancies - all the other non-Brahmin M.B.B.S., having been provided with appointments. But for the two general vacancies there are as many as 30 Brahmin candidates who are still unemployed. Two special vacancies can be given to Mr.Basavaraj Urs and Mr. D'Souza, who have lately passed out, as being the best among non-Brahmin candidates. For the third special vacancy there does not appear to be any suitable candidate. Mr.Appajappa is the man whose services were dispensed with while in the K.R.Hospital, and Messrs: Sundaram and George are non-Mysoreans and have been

Serial No.

31) Of the six vacancies reported by the Senior Surgeon the first and fifth are filled up as "General" vacancies while vacancy No.6 is utilised for absorption of Dr. Ramakrishna Rao. These are in order.

32) The second and the third vacancies were filled up by the appointment of two Backward Class candidates and this is in order.

33 As regards "Special" vacancy No.4, it is submitted that special vacancies are reserved only for candidates of Backward communities. Even, as a temporary arrangement, such vacancies could be filled up only by the appointment of backward class candidates. The utilisation of this vacancy for a Brahmin, Dr. T.D.V. Krishnana, is therefore not in order.

34) Under the rules in force, continued residence for a period of 5 years is a prima facie evidence of having acquired a domicile. The existing law does not provide for any preferential treatment being accorded to a Mysorean by birth over a Mysorean by domicile. Further the distinction of Mysorean by birth or Mysorean by domicile does not, at all, arise for consideration in filling up a "Special" vacancy which is reserved for only non-Brahmins. If it is the intention to secure the best qualified among the available candidates, their cases could well be considered in "General" vacancies

Sir,

In continuation of this office D.O. letter No. C 213 dated 15th June 1938 stating that there are five vacancies available to be filled up in the cadre of Medical Probationers, I have the honor to state that in response to the advertisement of two "Special Vacancies", applications (herein enclosed) from the marginally noted candidates have been received. I recommend that Messrs. M. Basavaraj Urs and Charles D'Souza may be appointed as temporary Medical Probationers on a pay of Rs 80 per mensem.

1. Mr. M. Basavaraj Urs, B.Sc., M.B.B.S.,
2. " Charles D'Souza, B.Sc., M.B.B.S.,
3 " V.K. Sundaram, L.M.S., M.B.B.S.,
4 " M. Appajappa, M.B.B.S.,
5 " K.S. George, M.B.B.S.,

My recommendation is based on the following reasons:-

1. Both these two candidates are comparatively young and their performance during the M.B.B.S. course has been found to be above the average and better than those of the other three.

2. Both these candidates are Science graduates of the Mysore University which is an added qualification not posessed by any of the others.

3. Mr. Basavaraj Urs is the first Urs who has taken the M.B.B.S. degree and will be first candidate in the Urs Community to be appointed as probationer in the Medical Department. Mr. Charles D'Souza is the son of Mr. Thomas D'Souza, a retired Sub Assistant Surgeon who rendered 30 years' approved service in the Mysore Medical Department.

As regards Mr. Appajappa, I may mention that his services

DEAR

Sir,

In continuation of this office D.O. letter No. [illegible] dated [illegible] June 1938 stating that 2 Special and 1 General Vacancies in the cadre of Medical Probationers have been advertised, I have the honour to state that the enclosed thirty applications have been received for the " General Vacancy".

Of all the applicants, the following have stood first in rank in the final M.B.B.S. degree examination(passing in one instalment) in the respective years and have won the Ananda Rao Gold Medal which is the hall mark of best performance for the year:-

1. Mr. B.M.Subba Rao 1934
2 " M.Krishnamurthy 1936
3 " M.Shamsastry 1936(first class)

Mr. B.M.Subba Rao is 32 years of age, has done one year's House-Surgency and when compared to Mr.M.Krishnamurthy, has secured less marks in the final degree examination.

Mr.M.Krishnamurthy (aged 26) after taking the M.B.B.S. degree standing first, has had opportunities of further improving his knowledge by doing House-Surgency for one year in the Krishnarajendra Hospital, post-graduateship in the Victoria Ophthalmic Hospital for one year and Demonstratorship in Anatomy in the Medical School for about 2 years. He is at present working as an Honorary House-Surgeon in the Mental Hospital. He has published several scientific papers and is well certified by all authorities including the Superintendent, Mental Hospital where he is working at present.

Mr. Shamsastry is aged 22 years and has passed only 2 months in first class, being the only first class to come out of the Medical School since its inception. He is very young and is resently

Sir,

In connetion with the posting of an additional hand to the Minto Ophthalmic Hospital, Bangalore, sanctioned in Government order No. G. 9876-7/med. 209-37-6 dated 14th June 1938, I have the honor to bring to your notice that in the serial order of vacancies this forms a "General" vacancy; the three former vacancies being treated as " Special" (two being filled up by appointing Messrs. Basavaraj Urs and Charles D'Souza as recommended in my letter No. G.C.92-21 dated 4-7-1938 and the other one to be filled up by appointing a Back-ward community candidate).

I have just now been scrutinising the thirty applications received from the Central Recruitment Board in response to the advertisement published in respect of the previous "General" vacancy and have also sent the file of applications for the two " Special" vacancies, so that the case of all probable applicants for posts of Medical Probationers are readily available.

The appointment in the Minto Ophthalmic Hospital requires to be filled up by one who has undergone a course of intensive training in this branch of ophthalmic work, and among all the candidates there are now available, very few who could be considered suitable. Even if one is posted now it will take about a year before he becomes really useful to the institution.

Dr. M. Krishnarao, M.B.B.S., as already reported in this office No. G.C.J. 241-4 dated 5th May 1938 has had an intensive training in this and other branches of Ophthalmic work, having worked as an Honorary House-surgeon in this institution for about 2 years and would prove most suitable and helpful if appointed for the

Sir,

In submitting herewith a list showing the number of vacancies now available in the Medical Department, I have the honor to state that of these, Nos 1,2 and 3 were advertised through the Central Recruitment Board (1 General and 2 Special) and recommendations for the appointment of candidates against these three vacancies have been submitted to Government. I propose to fill up the remaining three vacancies as follows:-

1. Vacancy caused by the retirement of Dr. S. Subba Rao. (tempy)

Mr. B.K. Ramakrishna Rao, Assistant Surgeon, 2nd class, who was acting in the leave vacancy of Mr. B.R. Ramalinga Reddy has to be provided with another vacancy from 26th June 1938, as Mr. Ramalinga Reddy has rejoined duty from leave. As already explained in my letter No. G.C. 85-20 dated 25th June 1938, I propose that Mr. Ramakrishna Rao may be absorbed against the vacancy caused by the retirement of Dr. S. Subba Rao. The appointment of Mr. Ramakrishna Rao was made directly with the sanction of Government (vide G.O. No. G. 579-80/med. 288-36-2 dated 19th July 1937) and the continuance of his services is necessary.

2. Vacancy caused by the retention of Mr. M.J. Rajanna, temporary Medical Probationer in the Medical College as Lecturer

For reasons already explained in the last para of my letter No. G.C 92-23 dated 7-7- 1938, I would propose that this Special vacancy may also be filled up without advertisement as all the available candidates have already applied for these posts. As Messrs. Basavaraja Urs and Charles D'Souza have already been recommended to be appointed against the two previous Special vacancies

vacancies, only the following three candidates are available:-

1. Mr. M. Appajappa (Lingayet)
2. " V.K. Sundaram (Mudaliar)
3. " K.S. George (Christian)

Of these, Mr. Appajappa's case has already been commented upon as one whose services were found quite unsatisfactory even as a House-surgeon and his services were dispensed with in the Krishnarajendra Hospital.

Of the other two- both of whom have had a prolonged Medical course- I think Mr. V.K. Sundaram's case deserves favourable consideration as he has not only worked as a House-surgeon like Mr. George but has also worked as a Demonstrator in the Medical School for one years. Both these candidates are Domiciled Mysoreans; but the domicile in the case of Mr. Sundaram seems to be better than in the case of Mr. George whose domicile of 9 years was concurrent with the period he took to obtain the Medical Degree in Mysore. In view of the above facts, I am of the opinion that Mr. Sundaram may perhaps be appointed against this vacancy. If for any reason, Government desire that none of these candidates are suitable for appointment, I would propose that the vacancy may be converted into a "General" one and a suitable candidate from amongst the available candidates appointed.

3. Vacancy caused by the sanction of additiona Assistant Surgeon to the Minto Ophthalmic Hospital.

I have, in my letter No. G.C.19.3.38 dated 1-7- 1938 already submitted my proposals for the appointment of a suitable candidate to the Minto Hospital immediately.

I solicit early orders.

I have the honor to be,

Sir,

Your most obedient servant,

B/Kamayya Rao

Respected Sir,

I beg to bring to your Kind notice that I am a Medical Graduate of the University of Mysore, having passeed the M.B.B.S. examination held in April 1933. On various occasions I tried to get into the Medical Department of the Government of Mysore, but every time my expectations were disappointed and I have been forced to wait for these past five years and thus wasted a long part of my career while a number of my juniors have managed to get appointed in the Department.

I now learn that at present there is going to be a vacancy under the general class in the Medical Department and I request that my name may kindly be registered for that appointment. In my anxiety not to miss this opportunity also I have made bold to apply even before the vacancy has been advertised in the Mysore Gazzette for which I request that I may kindly be excused.

Requesting you once again to excuse me for intruding on your valued time.

I have known the bearer Mr. M. Appajappa, M.B; B.S. from his Childhood. He comes of a poor but respectable family from Morasu Village in Alur Sub-Taluk of this district, which is a Malnad area. Being of humble origin and small means, he rose up to this height by securing the Sympathy and Support of out Siders by sheer dint of industry, character and behaviour. He is a Veerashiva by caste amongst whom there are but few M.B; B.S. degree holders, probably he being the first or the second till now, to hold that degree. He secured a first class pass in the Lower Secondary and S.S.L.C. Examinations and was the recipient of backward class scholarships in his High School, Intermediate college and Medical College courses, besides being the recipient of Mr. Appu Rao's Endowment scholarships in the third year course of the M.B; B.S. Examinations. He is now connected by marriage with the daughter of Mr. H.K. Mallappa, Assistant Inspector of Schools in Kolar, who has given an endowment to the University in the name of his father, the late Mr. Kere Siddappa.

P. T. O.

He now seeks appointment as a Medical probationer amongst the three non brahmin vacancies advertised in the Gazette. As he belongs to the Veerashiva Community and belongs to a Malnad Village which deserves some Special Consideration, I strongly recommend his case for favourable Consideration by the authorities concerned, and their generosity in accepting this candidature will be gratefully appreciated by the Malnad people.

Specimen of Handwriting in English.

The principle of the Elastoplast Bandage is ideal in the treatment of gravitational troubles but it is often discarded if eczema is present or develops after its use. Such eczema is generally due to the mechanical effect of the adhesive plaster and not to any chemical effect. It can be overcome by the use of side pieces of Elastoplast under the bandage or by its application over a silk stocking, over Unna's Paste, or over a Viscopaste Bandage. I have recently found effective the simple expedient of applying the Elastoplast Bandage reversed so that the sticky side is away from the leg. While it forms an equally elastic, firm, supporting to the leg, by reason of the firm adhesion of the layers of the bandage, one to the other, it avoids risk of causing or aggravating eczema. The bandage is secured to the leg at each end by a small length of bandage used in the ordinary fashion. The stickiness of the bandage is removed by rubbing with cotton wool.

****

Bishtopanth first entered the service of the Peshwa and there rose to the Sir Subha of Badami, whence he was brought to Seringapatam by Hyder Ali, and was placed at the head of the Sowar Elakh. He distinguished himself at the sieges of Arcot, Vellore and Tanjore.

2. At the fall of Seringapatam, Bakshi Bistopanth, who had been stationed with his army near Carighatt by Tippu, before the siege, was requested by General Harris to negotiate between him (the General) and the sons of Tippu who were under the care of the Bakshi. This service was promptly rendered by the Bakshi to the entire satisfaction of the British General.

3. At the installation of Maha Raja Krishna Raja Wodeyar Bahadur to the Throne of Mysore, it was Bistopanth who introduced Purnaiya to Lord Harris and General Wellesley as the fittest person to administer the State*.

4. Purnaiya and Bishtopanth were afterwards appointed Dewan and Bakshi respectively to administer the Civil and Military affairs of the country.

* Wellington's Despatches, Vol.II pages 1088-1089. Vide Appendix. A.

5. Subsequently, Bishtopanth went to Chitaldroog and quelled certain rebellions there. It was at this time that his brother, Rama Rao, was appointed Fouzdar of the Nagar Division.

6. At this time a Mahratta Chieftain, named Dhoondia Wahag, began to commit inroads at Harihar, Honnali and Anavatti. Colonel Dalrymple and Rama Rao were sent in pursuit of him by General Wellesley. He was pursued and put to flight.

7. Soon after, a Pallegar, called Iyyur Krishtappa Navik, rebelled and seized the two Taluks of Belur and Manjarabad; and Bishtopanth, with one thousand of his horse and some foot, captured the places and punished the rebel.

8. Rama Rao was sent to Sagar (1800-1801) where he succeeded in quelling disturbances of Polligars, enforced order and regular payment of Sirkar assessment.

9. Meanwhile Dhoondia Wahag, surnamed Bully Jahe Khan, recommenced his depredations at Savanur and thereabouts with a more formidable force than ever. General Wellesley and Bishtopanth with Rama Rao marched thither with their forces, and after a great fight at Kautal and Bhavanad, apprehended and killed the rebel.

10. About this time, Bakshi Bhima Rao (nephew of Bishtopanth and second in command), was sent with 500 savars to Sagar, Chitaldrug and other places where he succeeded in putting down further rebellions, while Bakshi Bishtopanth was engaged in subduing Manjarabad and other places in the west.

11. In 1801 Bishtopanth and Rama Rao followed General Wellesley with their forces and fought against Scindia, Bara Bhow

and Raghoji Bhonslay, and showed great valour to the entire satisfaction of the General, who being highly pleased with their conduct recommended them to the then Dewan and secured an increase of their salaries. At this time Dewan Poornia himself was stationed at Harihar issuing supplies and rendering every aid to the said General and his army. Rama Rao was afterwards appointed Subhadar or Superintendent of Nagar.

12. In the first Maratta War (1802 - 1804), Bakshi Bishtopanth followed General Wellesley with his army, and fought side by side with him in the ever memorable battles of Assave, Ahamdenagar, Arguam, and other places, against Scindia, Holkar and other Maratta chiefs.

13. After a complete victory over the Marattas, General Wellesley and Bishtopanth returned to Mysore in August 1805 . As a mark of approbation and recognition, by the British Government, of the distinguished services and fidelity of Bakshi Bishtopanth, General Wellesley obtained for him a life pension of Rs 12,000/- per annum, from the Honorable East India Company, and this honorable allowance Bishtopanth enjoyed in addition to all the rich emoluments from the Mysore State till hisdeath in 1808, when his brother, Rama Rao succeeded him as First Bakshi from the Nagar Fauzdari.

On the 11th August 1809, great fighting took place near Seringapatam, where the monument " Rana Khamb " (war pillar), formerly known as " Webb's Monument," now stands. The Mysore Horse, under the command of Rama Rao and Bhima Rao, were ordered

to arrest the progress of the British force under Colonel Mackintosh, which was marching from Chittaldroog to Serigngapatam in order to join the Mutineers at the latter Fort (the Mutiny was caused by the abolition of the Tent Contract). Colonel Mackintosh was totally defeated and taken prisoner, with two guns and two colors, and delivered into the hands of Colonel Devis and Sir Arthur Cole.*(2)

15. About the same time a Pattan named Amir Khan, a Sardar of Holkar, with a Pindari force of 60,000 horse began to commit depredations on the borders of the Nurbuda. Rama Rao was ordered to join the Army commanded by General Barry close and Colonel Conran who proceeded against the Sirdar and completely routed him with the aid of Rama Rao. Rama Rao served the said officers in the field with undaunted courage for a period of one year, and secured, not only their high appreciation and valuable Khillats, but also obtained a recommendatory letter to H.H. the late Maharaja Krishna Raj Wodayar Bahadur, setting forth his valorous deeds. The said Khillats were presented to Sir A.Cole, the then British Resident in Mysore, who handed over the same to Rama Rao with expressions of the highest pleasure. Afterwards Rama Rao, who had been already appointed Fouzdar ofNagar, proceeded thither and restored peace and order.

About the same time, a Pattan named Amir Khan, with a large Pindari force, began to commit depredations. He was completely put down by General close and Colonel Conran, with the aid of Rama Rao.

16. On the Retirement of Purnaiya, Bakshi Rama Rao succeeded

him as Dewan, at the recommendation of Sir Arthur Cole to the Government of India. Rama Rao continued in his new dignity for nearly five years with popularity, and Sir A. Cole entertained a very high opinion of him, and Bhima Rao was made the First Bakshi of the Savars at the instance of Dewan Rama Rao.* ③

17. In recognition of Rama Rao's valuable services, the East India Company were also pleased to grant him an Honorary pension of Rs 9,600/- per annum from the Madras Government, which he enjoyed uninterruptedly for a period of 19 years.* ④

18. When Generals Malcom and Hislop went to the borders of the Nurbuda with a large Army to arrest the rise of Holkar, Bakshi Bhima Rao and Captain Grant were directed to go and join the Generals.

19. Meanwhile, in consequence of instructions received from General Malcolm, Bakshi Rama Rao, who had by that time retired from active service, was requested by His Highness and Sir Arthur Cole, to join the General with an additional force in the last Mahratta war, ~~and~~ the aid of Bhima Rao alone having been found insufficient, and Bakshi Rama Rao was invested with entire powers over all the forces of Mysore. A Nirooo to the above effect was addressed to Rama Rao in His Highness's own handwriting.

20. No sooner did he arrive on the borders of the Narbuda, than he joined Bhima Rao, and both marched together to the Commander-in-chief, who received and rewarded them with fresh Honors and Khillats. The Mysore cavalry at this time numbered 4,500.

21. Rama Rao and Bhima Rao, with their horse, as well as the English army crossed the Narbuda, attacked the Pindari Chief, Chetu, and, after a severe contest, subdued Wahab Khan, Chetu's son. The booty consisting of horses, elephants &.c., taken at this time by the Mysore forces, was ordered to be distributed among themselves. Two of the 6 captured elephants were presented to Bakshi Rama Rao to be used by him for Hauda and Drums. Vide Appendix D.

22. The forces then assemble near Oojein in Malwa, where the commander-in-chief, pleased with the daring manner in which the Mysore army served to the entire satisfaction and success of the English, recommended a liberal and general increase of pay to all the men and officers, in addition to the Batta they were getting.

23. At the battle of Mahidpur, when Mallhar Rao Holkar withstood the English, with 25,000 horse, 80 pieces of cannon and a large number of infantry, the Mysore horse assisted the British force, and gallantly forced the enemy to yield. pleased with the success of Rama Rao and Bhima Rao, General Malcolm highly recommended them to Sir Arthur Cole to Mysore*⑤

24. Shortly afterwards, when the last of the Peshwas, Baji Rao, rose against the English, a severe conflict took place with him near Shabar, where he took to flight after committing a great deal of mischief. General Malcolm deemed it proper to stay there with his army, which he divided into three columns. Rama Rao was left there with 2000 savars,

While Bheema Rao was ordered to follow the Commander-in-chief with the remaining 2500 horse, to cross the Godavari and to join General Doveton. Baji Rao was pursued as far as Pundari Kavadi and Omerkode where Bhima Rao attacked and routed his army, hile General Malcolm and Rama Rao pursued Baji Rao through Asserghar Butara andother places and at last attacked and seized him near Bushampur.

25. General Malcolm and Rama Rao then overtook Baji Rao at Kalla Chabuter, and concluded a Treaty with him. After this, Rama Rao and Bhima Rao returned to Mysore with all their forces.

26. At Mysore, Bakshi Rama Rao and Bhima Rao were received by His Highness the Maharaja with great honor and pomp. His Highness was then pleased to announce, in the presence of Sir.A Cole, that he was always sensible of the valuable services rendered by the Bakshis, and that they and their descendants should always have just and good claims upon his country and Government. He then rewarded both with pearl garlands, " Sirpench," " Khillats," Elephants, horses palanquins, Umbrellas, " Chouris " and " Afthagiris. Rama Rao and Bhima Rao then made Nazars to the Maharaja of all the jewels and precious stones of incalculable worth, the gains of the wars.* ⑥

27. The Maharaja was also pleased to confer on Bakshis Rama Rao, and Bhima Rao two Jahageirs Yielding annually six and four thousand rupees respectively, under sannads bearing the seal and signature of the British Government.* ⑦

28. Besides the above Jahgir, Bakshi and Dewan Rama Rao were granted rewards of Sarvamanya (rent free) village of Hunsehalli, bearing an assessment of 141 pagodas in the Seringapatam taluk, another reward of land of 24 pagodas near Bangalore Kasba, and the third reward of land worth 120 Hyderi Pagodas near Shimoga Taluk. These grants were made in consideration of his benevolent and charitable acts in addition to those that were already made as Jahagir by the late Maharaja Krishnaraj Wodeyar Bahadur.

29. In the year 1820 - 21, in pursuance of the instructions given by the late Maharaja Krishnaraj Wodeyar Bahadur III and Mr. Cole, the Resident, Bakshi Rama Rao carried out at Yunigal the reduction 1500 horse, which were found to have been over and above the state complement. This affair occupied the Bakshi for nearly 3 months, and was conducted in a manner which afforded little ground for disaffection amongst the men.

30. In 1827, agreeably to the orders of Krishnaraj Wodeya Bahadur, III Bakshi Rama Rao reconstituted the Mysore Savar Force by dividing it into Regiments, each of such consisting of 6 Rissals of 76 savars each, and turned out the whole force at Nanjangud for inspection by the Maharaja and the Resident After which event, the Savars were ordered to the outpost duty

31. In consequence of the disturbances which broke out in Nagar in 1829, owing to people refusing to pay the Sirkar assessment, (8) * Dewan Rama Rao was ordered by the Maharaja to atonce proceed to Nagar and suppress these disturbances, and nominated Rama Rao's nephew, Krishna Rao, (brother's son) to the Fauzdari of Nagar. Both these accordingly we

went to Nagar and vigorously suppressed the riot, and collected all the Sirkar Kandavam which had fallen into arrears, restoring peace among all classes of people. The records in the Dewan's Office will bear testimony to this fact.

32. When in the year 1830, the whole of the country rose in rebellion against the Government, the Maharaja and the Resident proceeded to Channarayanatna there to enquire into the affair. At this time both the Bakshis, Rama Rao and Bhima Rao, rendered efficient services under the personal direction of the Maharaja. The records of these circumstances are still forthcoming.

33. ⑨* Bakshi Rama Rao demised in 1832, leaving his only son, Balaji Rao.

34. Balaji Rao was Musahib under the late Maharaja as well as under Mr. Cole the Resident, between 1806 - 1808, and conducted his duties to the satisfaction of both.

35. In 1809, at the instance of the Resident, the late Maharaja was pleased to appoint Balaji Rao as Secretary in the Military Department on a salary of 60 pagodas a month.

36. When the Maharaja and the Resident visited Bangalore and other places, Balaji Rao accompanied their camp and acquitted himself satisfactorily.

37. During the absence of Bakshi Bhima Rao at the third Mahratta War, between 1814 and 1816, Balaji Rao had the command

command over the Whole of the Savar Force, and conducted his duties under the orders of the late Maharaja.

38. At the last Mahratta War in 1817, when Bakshi Ram Rao was ordered in Field Service by the late Maharaja and the Resident, Balaji Rao was nominated Aid-de-Camp to Bakshi Rama Rao on a salary of 100 pagodas, and as such he rendered efficient service under the orders of Sir John Malcolm, General Cheap, Captains Grant, James, Blacker and other officers.

39. Balaji Rao continued in the Field Service (1817 - 1819). He was employed in the wars against Peishwa Baji Rao, Holkar and other Mahratta Chiefs, in putting down the Pindari Chief Chetoo, Jadhu Rao and others. On the return of the Mysore troops under the command of his father Bakshi Ram Rao, and on their way he (the Bakshi) was asked to visit Sir Thomas Hislop, the Commander-in - chief and Major-General Russel the British Resident at Hyderabad. These officers received the Bakshi and his son with the highest marks of honor and rewarded them with Killats of rich shawls and valuable garlands of gems and pearls.

40. On return from the Maharatta War, Bakshi Balaji Rao continued on 60 Pagodas per month from 1819 up to 1832 in the Savar Department.

41. On the assumption of the Mysore State by the British Government in 1832, Balaji Rao remained as Musahaib to the late Maharaja on 30 pagodas per month till 1851, when he died leaving a son, by name Rama Rao.

42. His son Rama Rao, the present Jahagirdar, was appointed Musahaib to His late Highness the Maharaja on a stipend of 15 pagodas per month, and as such he continued from 1851 to 1853.

43. In 1854, when the Palace Establishment wasrevised, the stipend wasreduced to 10 pagodas which he drew till 1868, when the Maharaj demising, the Palce Establishment was reorganized under the direction of Colonel C.Elliot, C.B, and Rama Rao was asked to retire from Palace Service; but it was recorded that he should be provided with an appointment in the Government, suited to the dignity of his family.

44. In Appendix M will be found the Genealogy of Dandina Rama Rao, who was the first member of Branch A of which Rama Rao, the present Jahagirdar of Mahdevapur is the surviving descendant; and Appendix L contains a resume of the distinguished services rendered by the members of the said Branch (A) to the Mysore and the British Governments.

APPENDIX. A.

Extract from a letter from the Despatches of Field Marshal the Duke of Wellington, to the Governor - General of India, Camp at Chowki, 9th March 1804.

****

In the course of the campaigh, I have frequently had occasion to mention to Your Excellency the services of the Mysore Horse, which I found upon every occasion to be of the greatest use. I attribute the alacrity and cordiality with which their services were afforded, the regularity of the troops the strict obedience of orders, and the consequent dependence which I could place upon them, to the measures taken by the Government of Mysore to ensure their regular payment, and to to the excellent character and disposition of their commander, Bishtonanth. This officer was high in the service to the late Hyder Ali and Tippu Sultan. Upon the death of the latter, he was one of the first who joined General Harris, and he was the person who negotiated the return of the present Dewan to Seringapatam, Since that period, upon every occasion in which the British troops in Mysore have been employed, he has acted with them in command of a body of the Raja's troops, and he has always conducted himself in such a manner as to gain my applause and repeated recommendations to the Government of Mysore, and the esteem of every officer of the British army. In this last campaign, in particular, in which his situation was naturally very delicate, his discretion in refraining from all communications or connection with the Maratta Chiefs, who have frequently applied to him

him to exert influence he was supposed to have to carry their sinister objects, has been equally satisfactory to me with his military conduct.

Your Excellency is aware that, although the pay allowed by the Dewan is regularly given to his troops, and, in respect to the common men, is fully sufficient, the allowances to his officers are far from liberal: accordingly Bistonanth's pay, particularly in time of peace, is by no means proportionate to the importance of his situation of Bakshi of the Rajah's troops; especially when it is considered that he is always likely to be employed in co-operation with the British troops, in situations in which he may be exposed to great temptations, and in which he may have the power of doing great mischief.

Upon the whole, in consideration of the conduct of the troops under his command, of his own discreet conduct, and as a reward for his services, and as a mark of your Excellency's approbation of the Government of Mysore, I beg leave to recommend that a pension of 12,000/- rupees per annum may be given to Bishtopanth from the first January 1804, to be continued as long as he shall conduct himself in a manner that shall be satisfactory to the Government of Mysore.

62 . A Body of 3000 Silledar horse, which had previously received orders to hold in readiness, was directed to invest the fort(of Seringapatam) and to cut off all its supplies **

65. A detachment of 1500 peons, and 3000 Silledar horse, was consequantly sent (Under Bakshi Ram Rao and Bhima Rao) to impede the progress of the two Battalions which were expected from Chitaldroog.

69. The Party of Mysore troops, which had been despatched under the command of Ram Rao, an able and spirited officer of the Mysore Government, to meet the Battalions advancing from Chitaldroog, fell in with those corps at the distance of about thirty miles from Seringapatam.

We have the honor to be,

With the greatest respect,

Honorable Sirs,

Your faithful, humble servants,

Extract from " the letter to be shown to the Officer in Command of the Chitaldroog Battalions."

Mysore, 11th August 1809.

Rama Rao, the bearer of this, has the orders of Lieutenant Colonel Davis, the officer Commanding the Mysore Division, and the Honorable Mr. Cole, the Acting Resident in Mysore, to inform the Officer commanding the Battalions advancing from Chitaldroog, that they will not be permitted to move one step further with the Troops * * and that any attempt which may be made by them to march on will be resisted by the troops under the command of Ram Rao.

Ram Rao is positively directed by the authorities above named to prevent, at any risk, the further advance of battalions in the event of their making an attempt to march on, after the officers shall have been made acquainted with the directions herein contained.

Given under our hands and seals.

first Assistant in Charge.

H.Davis,
Lieut.-Col., Com., Mysore.

Extract from a letter from Lieutenant-Colonel Gibbs, reporting the action that took place between the Chitaldroog Battalions and the Mysore Horse under the Command of Bakshees Ram Rao and Bhima Rao.

Camp near Seringapatam, 11th August 1809.

Sir,

* * ** * * Seeing these unfortunately infatuated people(10) flying in confusion, hard pressed by the Silledar Horse, I desired Major Cardin, if possible, to overtake them, by a circuitous route, for we could not cross the nallah in our front, and to spare the effusion of blood. ** * * * Lieutenant Jefferies advanced with a white flag; the sepoys salamed, but an European officer ordered them to fire; the Silledar Horse gallantly rushed in to his rescue. * * * I advanced with the flank companies of the 59th towards Webb's Monument, but could not, with our utmost exertions, head or even come up with these battalions, but from the hard pressure on them by the Silledar Horse, (which took from them two guns and both colours from one battalion) I have every reason to think that very few reached the fort.

The prisoners taken report that their loss in killed and wounded was considerable; as far as I could Judge, I estimate the killed at one hundred and fifty.

The casualties in the Silladar Horse have not yet been reported to me, but I believe they are very trifling.

I have the honour to be,

Sir.

Your very obedient servant,

S. GIBBS.

Lieutenant-Colonel Commanding,

Field Detachment.

In pursuance, therefore, of this desire, and in compliance with the strong recommendation of Ram Rao by the Honourable Arthur Cole, Acting Resident in Mysore, the Governor-in-Council of Fort St.George is pleased to resolve that a pension of eight hundred (800) rupees per mensem be granted to Bakshi Ram Rao, to commence from the first January 1812, and to be continued so long as he shall conduct himself in a manner which shall be satisfactory to the British Government and to the Maharaja of Mysore.

In reply to your communication dated 10th February 1818 from the Field of Action Camp at Kimchi Holkar's Dominions, stating that of the elephants you obtained as booty in the

plunder, 4 have been despatched to Huzur by Bakshi Bhima Rao 2 being suited for the howdah of our Huzur together with 2 others, besides keeping there 2 others, one being reserved for carrying war-drums and the other one for your use. We have been pleased to make a gift of one elephant to you as a mark of distinction of your rank as Bakshi, and as well as in recognition of the faithful and valuable field services you have rendered. You are hereby henceforaward authorized to be seated in a howdah overtopped with silver pinnacles, and be carried about the cost of preparing the pinnacles being a Government charge; and it was unnecessary on your part to have made a request on this behalf to us, the Huzur had already intended the gift of an elephant to you. It is gratifying to see that you have earned a good reputation to our Huzur. a pair for yourself, another for Bakshi Bhima Rao. The scarcity of provisions being much felt there you are directed to draw in addition to your pay of 300 pagodas a sumptuary allowance of pagodas 100 per month, with effect from the date of receipt of this Niroop. (order.)

* * " But the Mysore horse nevertheless contrived by the celerity of their pursuit to overtake and capture the most valuable part of the escort the regalia and jewels of the court amounting, as was affirmed by the agents of Holkar, to between 70 and 80 lacs of rupees. There is no doubt as to the seizure of the above property by the Mysore horse but not to such an amount; * * * * A committee had been appointed by His Excellency to investigate the business but the pressure of more important duties was unfavourable to the inquiry at the time, * * * some officers of consequence in the camp seemed to, support the title of the Mysore Cavalry to the property captured; *

* * * * *

It seems, however, that Lord Moira has taken the business into his consideration, and that already through the activity of the Honourable Mr. Cole at Mysore a considerable amount of that property has been discovered and claimed by the Mysore Government. This has been the second instance of the Mysore Cavalry having made themselves masters of the lawful prize of the army during the late services; * * *.

" One other tribute was paid to Malcolm, ~~xx~~ a tribute which, although it was the source of some painful contention, he appreciated, perhaps, even more than all the rest. After the battle of Mahidpore, the MysoreHorse, under Captain James Grant, had captured a large quantity of booty among which was Holkar's sword. It was, in truth, no great affair. It had a velvet scabbard, and a jewelled hilt. But the Jewels were of no great value, and the intrinsic worth of the whole would have been highly estimated at a hundred pounds. The Mysoreans, were naturally pround of their capture. As a relic of the victory surrounded by historical associations, it had a value which no jewels could enhance. With this impression, the * Bakshi of the Mysore Horse presented it to Malcolm, who declined to accept it. The sword was then carried by the captors, as a trophy, to the Rajah of Mysore, who in his turn, was eager to present it to Malcolm. * *

* * * * * * *

The compliment was very grateful to Malcolm, but there were obvious reasons why he should not accept the gift, without the consent of the Supreme Government. The question was therefore referred to Lord Hastings, who thinking, doubtless, that Holkar's sword could pass into no hands so fitting as into those of Sir John Malcolm, readily consented to the proposed disposal of the trophy. * * *

It was not indeed until the 26th of December 1818 that the Chief Secretary wrote to Malcolm saying, " I have had the

had the honor to receive your dispatch of the 29th of last month reporting your having been apprised by Mr. Cole *(12) of the desire of the Rajah of Mysore to present you with a sword and belt taken by His Highness' Silledar Horse at the battle of Mehidpoor; and I have the satisfaction of conveying to you the permission of the Governor-General in council for your acceptance of this flattering token of the Rajah's personal regard and acknowledgment of your attention to his troops while serving under your immediate superintendence and direction. "

* * *

But in the meanwhile this proceeding had been viewed with little favour at Madras.

* * *

The Commander-in-chief *(13) of the Army of the Deccan thought that it became neither the Rajah of Mysore to give nor Malcolm to receive this trophy of the victory of Mahid-poor; * *

On the correspondence which then arose between Sir Thomas Hislop and Sir John Malcolm I need not dwell. The Governor-General approved the gift of the sword to Malcolm, and it is now an heirloom in his family.

rendered to the Mysore Government by my great grandfather Bakshi Rama Rao. I have been extremely grateful to the Mysore Government for having encouraged and helped in the studies of my son M.B.Narayana Rao during his whole educational career and he is now a graduate in Medicine of the Mysore University. The fact that the Government has so graciously and kindly awarded the Special Scholarship to my son shows that it has not lost sight of descendent of one of the noblest families in Mysore. I may be pardoned if I say that our family though now in very adverse circumstances stands next to that of Dewan Purniyya in conjunction with whom my illustrious ancestor workdd for the Mysore State.

In the Mysore Gazette dated the 9th June'38 there is an advertisement for the post of a probationer on Rs.80/- for which the qualification is an M.B.B.S.Degree. My son has now passed the M.B.B.S. and consequently possesses the necessary ~~xxx~~ qualification. He has applied to the C.R.B. in the usual form and subject to the usual conditions. I therefore, most humbly and respectfully pray that Your Highness may be most graciously pleased to grant my son the above mentioned appointment and save a noble family from the deepest depths of misery and privation.

I most respectfully beg to be pardoned for thus intruding on Your Highness' valuable time.

I beg to remain,
Your Highness' most obedient and
loyal servant.

High School. He passed the S.S.L.C.Examination in 1930 in I Class and he studied in the Intermediate college, Mysore taking I.Sc. leading to Medicine. There also he was very kindly awarded the special scholarship. Subsequently he joined the Medical college and during his period of study in the college he was awarded the special scholarship by the University. Last year when he was in the Final M.B.B.S. class he secured the Merit Scholarship for the year 1937-38 and now he has successfully passed the Final Examination in II class this year (Reg. No.12)

I am now 68 years of age and none of my sons is in a position to earn his livelihood and consequently I have been leading a very poor existence. I have been waiting these long years for my III son who showed promise during his scholastic career to be successful. Now he has passed the Final M.B.B.S. degree examintion in II class and it has been of the greatest joy and expection to me. I am now old and have no source of satisfaction and peace in life so long as my sons are without employment. I have been ever hopeful that the benign Government of Your Highness would do something to help a family which has rendered meritorious and loyal services to the Mysore and British Government.

My ancestors have very meritoriously served the Mysore Government and the late Krishnaraja Wadiyar III has borne testimony to the services rendered by the Bakshi Rama Rao. I have enclosed along with this Memorial a brief account of the distinguished services

The humble and respectful memorial of M.Balaji Rao, Great Grandson of Bakshi Rama Rao, who was a military Bakshi and Dewan under His Highness the late Sri Krishnaraja Wodeyar Bahadur III of revered memory.

May it please your Highness,

I most humbly and respectfully beg to submit the following few lines for the most gracious and favourable consideration of Your Highness:-

It may not be unknown to your Highness that my great grand-father RamaRao, who served with distinction under Tippu Sultan and subsequently on the restoration of Mysore served his late Highness Sri Krishnaraja Wadeyar Bahadur III both as military Bakshi and Dewan for some time after Purniyya. For his distinguished services to the State in leading to victory against Holkar, the Mysore troops and for various other similar loyal services my great grandfather Rama Rao was granted a life pension

of Rs.1000/- a month and the Jahagir of Mahadevapuram and 6 other villages. My grand father Balaji Rao enjoyed a musaheb's pay and pension honour from the palace and my late father Rama Rao, Jahagirdar of Mahadevapuram, also enjoyed the honour of Musaheb (Honorary) in the Palace and also the Jahagir.owing to the simplemindedness of my father Rama Rao, he was duped by certain persons hanging on him and in consequence the Jehagir of Mahadevapur and other villages became encumbered with heavy debts and my father died leaving these heavy debts to me and my two brothers. Unfortunately for me and my brothers, my father neglected to educate us to fit us to earn a living. The debts on the Jehagir grew apace with accumulating interest and we were forced to sell the Jahagir to the III Princess to discharge debts, not only the Jehagir but houses and every kind of immovable and movable property had to be sold to free ourselves from the clutches of the creditors. Now we are eking out our existance with very little to depend upon.

Inspite of my deplorable circumstances I managed to educate my three sons -- M. Krishna Rao: M.B.Subba Rao and M.B.Narayana Rao; the last is now 23 years of age and recently passed the M.B.B.S.Degree Examination in III Class (Reg No.12) My third son, M. Narayana Rao, (alias M.B.Narayana Rao as since changed) was very kindly awarded a special scholarship of Rs.4/- per mensem when he was in the L.S.Class by the Government (Government Order No.E.4599-Edn.40-25-52 dated 2-2-1926) Since that year he has been regularly successful in all the examinations and has been accordingly very graciously awarded the special scholarship in the

I have known the bearer Mr. M. Appajappa, M. B. B.S. from his childhood. He comes of a poor but respectable family from Morasu Village in Alur Sub Taluk of this District, which is a Malnad area. Being of humble origin and small means he rose up to this height by securing the sympathy and support of out-siders by sheer diligence of industry, character and behaviour. He is a Veerashiva by Caste, amongst whom there are but few M. B. B. S. degree holders probably he being the first or the second till now, to hold that degree. He secured a first-class pass in the lower Secondary and S. S. L. C. examinations and was the recipient of backward class scholarships in his High School, Intermediate College and Medical College courses, besides being the recipient of Mr. Appu Rao's Endowment scholarships in the third year course of the M. B. B. S. examinations. He is now connected by marriage with the daughter of Mr. H. K. Mallappa Assistant Inspector of Schools in Kolar, who has given an endowment to the University in the name of his father, the late Mr. Keni Siddappa.

He now seeks appointment as a Medical probationer amongst the three non-brahmin Vacancies advertised in the Gazette. As he belongs to Veerashiva community and belongs to a Malnad

P. T. O.

Village which deserves Some Special consideration, I strongly recommend his case for favourable consideration by the authorities concerned, and their generosity in accepting his candidature will be gratefully appreciated by the Malnad people.
